

The Ohio Department of Health administers the Title V Program. The Department conducts a statewide assessment of needs, develops policies, plans and implements programs to improve the health of women, infants, children, adolescents and families in Ohio. Programs within the Title V administrative structure which are coordinated with the MCH Block grant include: Oral Health Services programs to improve access to dental care; Help Me Grow Program which includes Part C Early Intervention program; birth to three at-risk services; Welcome Home Newborn Visitation Program; Title X family planning services; WIC program; Primary Care and Rural Health Services; AIDS Client Resources; the Ohio Infant Mortality Reduction Initiative and Childhood Lead Poisoning Prevention Program.
